### employees

| Field       | Description | Туре         | Default | Other |
|-------------|-------------|--------------|---------|-------|
| employee_id |             | int          |         | PK    |
| full_nme    |             | varchar(100) |         |       |
| email_addr  |             | varchar(100) |         |       |
| active_ind  |             | boolean      |         |       |
| insert_dte  |             | date         |         |       |
| update_dte  |             | date         |         |       |

#### deals

| Field           | Description | Туре         | Default | Other |
|-----------------|-------------|--------------|---------|-------|
| deal_id         |             | int          |         | PK    |
| creator_id      |             | int          |         | FK    |
| owner_id        |             | int          |         | FK    |
| organization_id |             | int          |         | FK    |
| stage_id        |             | int          |         | FK    |
| deal_nme        |             | varchar(100) |         |       |
| deal_amt        |             | number       |         |       |
| stagechange_dte |             | date         |         |       |
| status_dsc      |             | varchar(100) |         |       |
| status_dte      |             | date         |         |       |
| lost_dsc        |             | varchar(100) |         |       |
| email_cnt       |             | int          |         |       |
| activity_cnt    |             | int          |         |       |
| active_ind      |             | boolean      |         |       |
| insert_dte      |             | date         |         |       |
| update_dte      |             | date         |         |       |

#### persons

| Field           | Description | Туре        | Default | Other |
|-----------------|-------------|-------------|---------|-------|
| person_id       |             | int         |         | PK    |
| owner_id        |             | int         |         | FK    |
| organization_id |             | int         |         | FK    |
| first_nme       |             | varchar(100 | )       |       |
| last_nme        |             | varchar(100 | )       |       |
